The Queen’s Platinum Jubilee Beacons

2nd June 2022
A warm welcome to all our fellow celebrators.

There is a long and unbroken tradition in our country of celebrating Royal Jubilees, Weddings and Coronations with the lighting of beacons - on top of mountains, church and cathedral towers, castle battlements, on town and village greens, country estates, parks and farms, along beaches and on cliff tops. In 1897, beacons were lit to celebrate Queen Victoria’s Diamond Jubilee. In 1977, 2002 and 2012, beacons commemorated the Silver, Golden and Diamond Jubilees of The Queen, and in 2016 Her Majesty’s 90th birthday.

On 2nd June 2022, we will celebrate another unique milestone in our history. Her Majesty The Queen’s 70th year as our Monarch and Head of the Commonwealth - her Platinum Jubilee. It is a feat no previous monarch has achieved.

More than 1,500 beacons will be lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories, and one in each of the capital cities of Commonwealth countries in recognition of The Queen’s long and selfless service. The beacons will enable local communities, individuals and organisations to pay tribute to her as part of the official Platinum Jubilee Weekend of celebrations from 2nd to 5th June 2022.

There are three types of beacons being lit for this historic occasion:

- A free-standing beacon fuelled by bottle gas (see pages 11 & 12)
- A beacon brazier with a metal shield. This could be built by local craftsmen/women or adopted as a project by a school or college (see page 13).
- A bonfire beacon and (see page 14)

Communities with existing beacon braziers are encouraged to light these on the night.

If you wish to take part, you can register your participation by providing the information requested on page 10 under the heading, “How to take part,” sending it direct to brunopeek@mac.com.
At **1pm** local time Town Criers are being invited to undertake the Proclamation (see page 8) announcing the lighting of the beacons later that evening. As the sun sets at **9.09pm** across the UK and the Commonwealth, individual pipers and pipe bands are being asked to play “Diu Regnare” from central locations of their choice from within their local communities as their personal tribute to Her Majesty The Queen. (This time will vary in each time zone across the world). This unique tune has been especially written for this historic Jubilee by Piper Stuart Liddell, 2020 Glenfiddich Champion and Pipe Major of the World Champion Pipe Band, Inveraray and District (see page 9).

“The Royal Scottish Pipers’ Society are honoured to participate in our Patron The Queen’s Platinum Jubilee Celebrations in June 2022. Her Majesty’s extraordinary service to this country is unparalleled. Accordingly, we encourage everyone to express their appreciation and gratitude by supporting this amazing Jubilee event,” said Gordon Wallace, Hon. Pipe Major, Royal Scottish Pipers’ Society.

Alan Hay, Chairman of The Royal Celtic Society whose Patron is Her Royal Highness The Princess Royal said, “Having for two hundred years been at the cutting edge of traditional music and language in Scotland, we recognise the enormous commitment Her Majesty The Queen, has made in serving the Commonwealth and its people. We are delighted therefore, to encourage all our members to participate in the Jubilee celebrations and our pipers to play Diu Regnare, composed by our member Stuart Liddell in honour of this historic event.”

The National Piping Centre, whose Patron is His Royal Highness The Prince of Wales, is also delighted to be involved in The Queen’s Platinum Jubilee Beacons, and will be encouraging pipers throughout the UK, Channel Islands, Isle of Man, and in the capital cities of the Commonwealth, to play this special tune five minutes before the beacons are lit that evening.

“The Royal Scottish Pipe Band Association would be delighted to support such an auspicious occasion and we will invite all our members to support this initiative as events like these help promote the long standing relationship the The Royal Scottish Pipe Band Association has with The Royal Family and we congratulate Her Majesty The Queen on her Platinum Jubilee,” said Kevin Reilly, Chairman RSPBA.
“The Northumbrian piping community will be extremely thrilled and honoured to be involved in this tremendous project being organised to recognise The Queen’s Platinum Jubilee,” said Tom Fairfax - Trustee, Northumbrian Pipers’ Society.

To coincide with the lighting of the beacons throughout the Commonwealth, choirs in local communities will be encouraged to sing a specially written song. A competition to select the song will take place throughout the Commonwealth and I have asked my good friends from the Commonwealth Resounds, a musical organisation accredited to the Commonwealth with many years of experience, to coordinate this on my behalf. Details of the competition can be found on the website www.commonwealthresounds.com.

“The Royal Institution of Chartered Surveyors (RICS) is honoured to lead the lighting of the UK’s Anchor Chain of beacons for our Patron’s historic Platinum Jubilee. It is only fitting that this aspect of the beacons will be led by RICS Matrics, a key part of our organisation which supports many thousands of young professionals in shaping their own future history and lasting legacy.” Sean Tompkins, CEO RICS.
“The NFU is delighted to be supporting The Queen’s Platinum Jubilee Beacons and will be encouraging our members throughout England and Wales to light beacons as part of the celebration. From the uplands to the lowlands, our farmers will be lighting beacons on the most iconic parts of the countryside in tribute.” Minette Batters, President, NFU.

Beacons will also be lit on The Queen’s Sandringham and Balmoral Estates, at the Copper Horse statue of King George III in Windsor Great Park, Hillsborough Castle, Northern Ireland, and on the battlements of the Tower of London. In my home town of Great Yarmouth, Norfolk, the Borough Council will light its beacon brazier on the town’s famous Golden Mile. One will also be lit outside the 17th century Tan Hill Inn in the Yorkshire Dales, the highest pub in Great Britain. English Heritage will light at least 17 beacons on heritage sites, and others will be lit in Enniskillen, County Fermanagh, Northern Ireland; Sark and Alderney in Channel Islands, St Davids, the most westerly City in Wales, and the Isle of Wight.

One Voice Wales, which has taken part in previous jubilee events, will be inviting member councils to light beacons, and Historic Houses will encourage member estates to participate too.

Shining a light for the Platinum Jubilee will be Tameside and Glossop Integrated Care Foundation Trust, a hospital to the east of Manchester in one of the most deprived areas of the country. Working with local sculptors and welders, they will create a beacon resembling a giant crown made from recycled hospital beds.

The Sea Cadets will build and light 50 beacons across the UK, from the highlands of Scotland to the Channel Islands, from Northern Ireland and Wales, to Kent and Essex. The Army Cadets are also supporting the event and will light the National Sports Beacon at the start of the National Athletics Championships in Grantham.

Dyfed & Glamorgan Army Cadet Force will light a beacon on top of Pen-y-Fan, the highest peak in South Wales, as part of a pan-Wales Army Cadets event to mark the Jubilee.

We are also pleased to confirm the involvement of Girlguiding throughout the UK, Channel Islands and the Isle of Man, with Girlguiding Chief Guide Aminder Medler saying, “I’m delighted that Girlguiding is supporting the lighting of Beacons to celebrate this very special Jubilee marking the 70-year reign of our Patron Her Majesty the Queen.”

Beacons are being lit on some of our country’s oldest estates, including Woburn Abbey, Highclere Castle, Cholmondeley Castle, Hatfield House, Belvoir Castle, Houghton Hall, Bolton Abbey, Blenheim Palace, Arundel Castle, Chatsworth, Wellington, Roxburgh and Badminton. Hadrian’s Wall Partnership and its communities along the Wall are also involved and will be lighting celebration beacons.

“The National Coastwatch Institution is delighted to be part of this important tribute to Her Majesty The Queen, and will be encouraging all its 56 watch stations around the coast of England and Wales to take part in lighting beacons on the night,” said Commander Lesley Suddes RN, Chairman NCI.

Walking with the Wounded, one of our country’s leading Forces charities, will light gas-fuelled beacons on top of the four highest peaks in the UK - Ben Nevis, Scotland; Scafell Pike, England; Mount Snowdon, Wales; and Slieve Donard, Northern Ireland, paying tribute to The Queen while raising valuable funds for the welfare of wounded service personnel.

“Battel Bonfire Boyes, (photo above) the world’s oldest bonfire society, is delighted to be lighting a beacon in celebration of The Queen’s Platinum Jubilee as part of this amazing tribute,” said Matt Southam, press & publicity officer.

The Right Honourable Lord McLoughlin CH, BTA Chairman said, “I would like to encourage every City, County, Borough, District, Regional, Community, Town and Parish Council throughout Great Britain to light a beacon in celebration of this unique moment in The Queen’s life, and would ask all those taking part to go to page 9 of this Guide and register their involvement as soon as possible.”

“The National Coastwatch Institution is delighted to be part of this important tribute to Her Majesty The Queen, and will be encouraging all its 56 watch stations around the coast of England and Wales to take part in lighting beacons on the night,” said Commander Lesley Suddes RN, Chairman NCI.

Dyfed & Glamorgan Army Cadet Force will light a beacon on top of Pen-y-Fan, the highest peak in South Wales, as part of a pan-Wales Army Cadets event to mark the Jubilee.

“We are also pleased to confirm the involvement of Girlguiding throughout the UK, Channel Islands and the Isle of Man, with Girlguiding Chief Guide Aminder Medler saying, “I’m delighted that Girlguiding is supporting the lighting of Beacons to celebrate this very special Jubilee marking the 70-year reign of our Patron Her Majesty the Queen.”

“The National Coastwatch Institution is delighted to be part of this important tribute to Her Majesty The Queen, and will be encouraging all its 56 watch stations around the coast of England and Wales to take part in lighting beacons on the night,” said Commander Lesley Suddes RN, Chairman NCI.
Beacons will also be lit at Coastwatch Scotland’s Irvine and St Monans stations by their groups of volunteers.

Captain Ian McNaught, Deputy Master of Trinity House, said, “I am pleased that we at Trinity House can support this event marking HM The Queen’s Platinum Jubilee. By lighting beacons at lighthouses around our shores we will help make this a celebration to remember and also honour our long-standing involvement with Her Majesty and The Royal Family.”

“The Chiddingfold Bonfire Association (photo right) consider it a great honour in using this opportunity to pay tribute to Her Majesty The Queen by lighting a beacon in celebration of her Platinum Jubilee on behalf of our wonderful village and community. Our tradition of lighting beacons for Her Majesty The Queen extends all the way back to her Coronation in 1953, Silver, Golden and Diamond Jubilees and her 90th Birthday Beacons. The earliest known record of a beacon lighting in the village is for George V’s Silver Jubilee of 1935,” said Simon Manuel, Chairman of the Association.

As this will be the last chain of Beacons lit during The Queen’s 70-year reign, we hope that individuals, local authorities, voluntary and youth groups, farming communities and others will join with the many organisations who have already agreed to take part in this special tribute to Her Majesty on 2nd June 2022. Let’s make it the largest celebration of its kind the world has ever seen.

Please be kind enough to register your involvement by providing the information requested on page 10 and sending it to brunopeek@mac.com as soon as possible, but no later than 1st June 2022 so that we can keep you informed.

The Queen’s Platinum Jubilee Beacons
A Proclamation

Oyez Oyez Oyez

Today in our nation - and throughout the Commonwealth - we are celebrating our glorious Queen’s Platinum Jubilee.

Elizabeth - the second of that name - our most beloved Sovereign and Head of the Commonwealth for seventy years.

How apt that this should be the Platinum anniversary of her coronation - Platinum - that most noble of metals, more precious even than gold.

And so it is in honour of this unique occasion that beacons will be lit this evening throughout the United Kingdom, the Channel Islands, the Isle of Man and the UK Overseas Territories - and in all the Capital Cities of the Commonwealth.

Let it be known, in proclaiming this tribute to Her Majesty the Queen on her Platinum Jubilee, that we are one nation and one Commonwealth.

God Save The Queen
Diu Regnare

Music written by Pipe Major Stuart Liddell - Glenfiddich Champion Piper

Stuart Liddell at Duntrune Castle on the north side of Loch Crinan in Argyll, Scotland.
How to take part

Step 1: To confirm your involvement and make important communication as easy as possible please register your involvement, providing the information below, direct to brunopeek@mac.com as soon as possible please, but no later than 1st June 2022.

If your event is a private occasion and NOT open to the public, and you do not want your involvement shown on any public or media listing, it is important that you confirm this when providing information. Your participation will still be noted as part of this historic occasion but NOT made public. However, if your event IS open to the public, your contact details will be shared with the media so that they can contact you direct to arrange any publicity and/or coverage of your event.

Name and Job Title of Contact/Coordinator
Name of Council or Organisation
Name of Piper, if applicable
Name of Town Crier, if applicable
Name of Choir, if applicable
Postal address including county and postcode
Name of capital city - Commonwealth countries only
Country - ie England, Wales, Scotland, Northern Ireland, Channel Islands, Isle of Man, UK Overseas Territory, Commonwealth Country
Telephone number - landline
Mobile number
Email address
Beacon location - if known when registering, please include the postcode

Public or private event

Ensure you have undertaken all the safety measures outlined on pages 11 and 12 before lighting your beacon. Alert the emergency services, including the Fire Brigade, undertake any risk assessments required and ensure everyone involved is happy and familiar with your plans. (This is your responsibility as coordinator).

Beacon lighting ceremony - 2nd June 2022

The Beacon lighting ceremony should be undertaken as follows:

Step 2: Invite your Lord Lieutenant, Deputy Lieutenant, Lord Mayor, High Sheriff, High Steward, Lord Provost, Chairman or Leader of the Council to light your beacon. Alternatively, you may like to organise a competition in partnership with your local media, with the winner having the honour of lighting the beacon.

Step 3: You might consider having professional photographs taken during your event. Immediately after, please send no more than two high quality, copyright-free photographs to brunopeek@mac.com, including the name of the photographer, the beacon location, county, country and postcode, along with the name of the council or organisation.

Step 4: If appropriate, use social media channels - Twitter, Facebook etc - to promote your event. On Facebook, post photographs of your beacon lighting ceremony.

Step 5: Publicise your event. We will provide you with a Press Release template which you can localise, providing as much information as you wish regarding your event, but including your contact details. You can send this to your local media to enable them to get in touch with you direct.

Step 6: We will confirm your beacon lighting time nearer the event.
The beacon’s burner-head is in the shape of a globe, representing the countries of the Commonwealth, surrounded by a Crown. It is of lightweight construction and comes assembled and complete, with the exception of the gas cylinders, which must be purchased separately. One 47kg propane cylinder or 2 x 19kg cylinders are recommended to give a full flame for a good three quarters of an hour.

These cylinders can be purchased from Flagas Britain who have been supplying Liquefied Petroleum Gas for over 35 years. They have the largest national delivery network in the UK, and hold the Carbon Trust Standard and Royal Warrant. Contact them as soon as possible to avoid delays or disappointment. Phone: 0800 574 574 or contact them via their website: www.flagas.co.uk. For their propane safety data sheet go to https://www.flagas.co.uk/app/uploads/2-0-propane-cylinder-safety-sheet-v2-1-1.pdf. The Gas Torch needed to light your beacon safely requires a 400g cylinder of propane with CGA600 fitting - Bullfinch No 1644 or Rothenberger or equivalent. Travis Perkins, Screwfix, Plumb Centers and some DIY stores should have these as stock items, or search online.

The Platinum Jubilee Gas-Fuelled Beacon Package contains:

- Burner unit with Crown & Platinum Jubilee insignia
- 2m high stand
- Ground anchor and rope for fixing the stand to the ground
- 10m hose with the regulator for connecting to the gas
- Gas torch for lighting
- Spanner
- Leak detecting fluid
- Hose assembly and Y manifold to link 2 cylinders
- Lighting and safety instructions

The above items are packed into 2 strong cartons. The tripod describes a circle area of about 1.32m diameter and the beacon has an extended height of about 2.15m.

The beacon is stable in the wind. It is supplied with a ground anchor and rope for securing to the ground if this is possible, or we would recommend the use of sandbags. Full instructions are provided for this. The beacon must be supervised by two people at all times when lit and a fire extinguisher must always be available. It is important that supervision should be undertaken by those who are competent and it is essential that a lighting trial takes place before the event to ensure that everyone is fully trained and familiar with the operation. The price of a gas-fuelled Platinum Jubilee Beacon is £490 plus VAT, including carriage to your door within UK mainland (Highlands and Islands excluded). There will be an extra charge for other areas.

Some of the benefits of this style of beacon are that it can be seen for miles once lit, is suitable for all manner of high and low locations, is easily collapsible and once used can be stored away for later use.

To order your beacon please contact: Bullfinch Gas Equipment, Kings Road, Tyseley, Birmingham, B11 2AJ. Tel: 0121 765 2000 Fax: 0121 707 0995 Email: sales@bullfinch-gas.co.uk  Web: www.bullfinch-gas.co.uk

Payment by cheque, BACS transfer, or Credit/Debit Card. Last date to order to guarantee delivery by 29th May is 18th April 2022. However please enquire after this date for availability.
The beacon will come ready for easy assembly, designed with a crown at the top and a special date plaque underside. The beacon will burn for approximately 1 hour using two 13kg standard propane gas cylinders, which are available from most gas stockists and petrol stations around the UK. The gas assembly is easily connected to the burner by a quick release fitting. The beacon is inherently stable; however, we recommend the use of anchors on soft ground or sandbags on hard ground for additional stability. Full set-up instructions are included within the pack and we recommend a trial set-up and lighting before the actual event to familiarise yourself with the set-up and operation. We have included two long-reach lighting sticks so that you can practice lighting the beacon in advance. We would also recommend that a fire extinguisher is available when lighting the beacon and whilst it is burning and that two people are always present.

**The Platinum Jubilee Beacon package contains**:  
- Assembly, lighting and safety instructions  
- 2m high stand and burner  
- 10m hose with the regulator for connecting to the gas  
- Two long-reach lighting sticks  
- Spanner and leak detection fluid  
- Hose and Y splitter manifold to link 2 cylinders  
- No additional connections required - all you need is in the box

**Beacon Price**:  
The price of our beacon is £490 + vat, including carriage within the UK mainland. An additional charge may be applied for other areas.

**Ordering & Payment**:  
To order your Platinum Jubilee beacon, please contact 21CC Group Ltd by phone; 0131 331 4509 or email our beacon team on beacons@21ccgroup.com. Additional information can be found on our website at www.21ccgroup.com/beacons. Payment can be made in all the usual ways including BACS, cheque and credit/debit card. Orders received before 29th April 2022 will be delivered by 31st May 2022. All orders after 29th April 2022 will be taken on a case by case basis and subject to stock availability.
Beacon Brazier

A beacon brazier will provide a permanent reminder of this unique moment in The Queen’s reign. It can be built by local craftsmen and women, and may be used for future historic occasions in your community. It could be sited in a country park, on a hilltop overlooking the sea or a lake, in the centre of your town or village, and could become a tourist attraction for your area.

Materials Required for Beacon Construction

Wooden centre post consisting of 305mm x 305mm wooden post, 6.25 metres in length of which 2 metres goes into the ground.

Basket and fixing brackets consisting of:
- 1 x 920mm diameter steel plate.
- 1 x 4,178mm long 60mm x 5mm steel flat bar rolled into 1,330mm diameter ring.
- 1 x 3,455mm long 60mm x 5mm steel flat bar rolled into 1,100mm diameter ring.
- 1 x 2,985mm long 60mm x 5mm steel flat bar rolled into 950mm diameter ring.
- 1 x 2,922mm long 150mm x 5mm steel flat bar rolled into 930mm diameter ring.
- 12 x (approx 1,250mm long) 60mm x 5mm vertical bars [rolled to shape].
- 1 x 310mm x 310mm x 300mm high connection box welded to base of basket.
- 1 x hanging shield and support: 3.7m length of 38mm diameter solid steel rod.
- 1 x 920mm x 760mm steel plate 3mm thick 4 x connection brackets 8mm thick
- (see detailed drawings left).
- 2 x pins and loops.
Bonfire Beacon

Locate the bonfire at least 60m away from buildings, roads, railways and public rights of way, and a safe distance from dangerous materials and overhead power lines. Ensure it has good access for the transportation of materials for the bonfire and sufficient space for spectators to stand upwind.

Obtain the landowner’s permission and involvement.

Liaise with your local fire brigade and all emergency services in your area, presenting them with your plans, and seek their advice and support.

1. Prepare site by removing top layer of turf and stack away from fire area. Obtain seven poles, 5-6m in length. Attach four guy ropes to top of one pole and anchor as shown.

2. Erect remaining poles as shown, ensuring tops are secured in place.

3. Use either pallets or suitable lengths of timber, spreading them over ground area of beacon for a good through draught. Secure timber horizontally between poles as shown, preventing material placed over the framework from dropping through. Construct access tunnel to the middle of the beacon. Keep middle empty until required. Always construct the bonfire so it collapses inwards as it burns.

4. Use only wood for combustible materials. Do not burn dangerous items such as foam-filled furniture, old tyres, aerosols or tins of paint. Build upwards until height of centre pole is reached. Materials around top should be loosely packed to allow air flow. Cover bonfire to keep it dry.

5. Fill centre with suitable, dry combustible materials. Check construction is stable and remove any unsuitable materials that may have been added. Look specifically for fireworks, aerosols, highly inflammable materials or containers with such materials.

6. Construct a safety barrier out of ropes and stakes or scaffold poles to ensure public is kept at a safe distance from the fire.

7. In daylight, and for several hours, and up to lighting, check that there are no children or animals playing or hiding in or round the bonfire. Arrange for at least 12 marshals to be in attendance, and undertake a sufficient safety briefing before lighting the beacon.

8. The person looking after the fire should not wear lightweight clothing that could ignite easily. They should wear a substantial outer garment of wool, or other material of low flammability, and stout boots. They should know what to do in the event of a burn injury, or a person’s clothing catching fire, and should have a fire blanket ready in the bonfire area along with a number of fire extinguishers.

9. Lighting: the safest and recommended approach is to use paper and solid firelighters in six places just inside the walls of the beacon to ensure an even burn. Never use flammable liquids such as paraffin or petrol to get it going as this can result in uncontrolled spread of fire or explosion.

10. To light the beacon: from poles 2m in length, prepare hand torches for lighting with paraffin-soaked rags wired around one end. Remember, paraffin is dangerous and great care should be taken. Paraffin can be used as directed, but it is still dangerous and should at all times be treated with great care - for example, always ensure all excess paraffin is drained off rags before use. If spilt on your clothes during the preparation of your beacon lighting you should replace those items of clothing before approaching any naked flames. In particular, always remember to replace the lid on any container of unused paraffin and store it in a safe place away from naked flames. Do not use an accelerant on the fire itself.

▲ After the event, extinguish fire and collect remaining debris. ▲ Dig over site and re-lay turf. ▲ Leave site clean and tidy.
Legal Essentials and Safety

If you are inviting personal guests to your home it is worth checking with your household insurer that you are covered in the unfortunate circumstances that there should be an accident. If your event includes inviting the public, or it is a third party venue then, where applicable, the following advice should be heeded, to ensure you have a safe and enjoyable event for everyone involved.

Licensing
Generally, all public entertainment has to be licensed by the local authority. The law on this aims to ensure the safety of the public and performers. Local authorities treat each event individually, and what one will allow another will not. Do not be put off by the length of some of the forms - the licensing officer is there to help you.

The licensing officer’s job is to advise the local authority’s licensing committee on the granting of public entertainment licenses. For small scale events he or she, in effect, makes the decision. Only if your event is contentious will the licensing committee decide to consider the application in detail. Talk to the licensing officer as soon as possible. In Northern Ireland, if you plan to sell alcohol at an event, you will need to apply for an occasional liquor license with your household insurer that you are covered in the unfortunate circumstances that there should be an accident. If your event includes inviting the public, or it is a third party venue then, where applicable, the following advice should be heeded, to ensure you have a safe and enjoyable event for everyone involved.

Insurance
Unfortunately, accidents can happen at even the best organised events. Therefore, you will need to consider and obtain insurance cover for your event, whether you are holding an event on your own premises or someone else’s. Bonfire events require specialist public liability cover. If you hire a park or venue or use land owned by a third party for your activity, they are likely to require you to have your own suitable insurance to cover your liability for any injury to the public or damage to other people’s land or property.

If hiring equipment for the event, you may need to insure these items; you may also need to consider cover for loss of any financial outlay you incur if the event has to be cancelled for reasons beyond your control, or loss of money, particularly if you are holding a fund-raising event. Therefore, to help you obtain the appropriate insurance, and risk management advice, we are working closely with Unity Insurance Services, which is a specialist insurance broker in the voluntary and non-profit sector.

They have developed a range of bespoke insurance covers specifically for the Beacon/Bonfire events. Unity is owned by a charity and donates all its profits back to charity, so to obtain a quote or for more details or advice on the insurance cover you may need, please visit Unity’s website or telephone them on 0345 040 7702.

Alternatively, the licensing officer may be able to direct you to a suitable specialist company or broker, but you should not try to source this kind of insurance from a non-specialist.

Alcohol
If you want to sell alcohol you will need to secure a licence. From February 2005, licenses are granted by the local authority rather than the Magistrates Court. You should therefore contact your local authority licensing section and seek information from them on how to apply. During 2005 all existing licenses have to be renewed and this will inevitably lead to long lead-in-times. Please apply as early as possible.

Site Clearance
The local authority will arrange for clearance and disposal of litter after your event if it is on public ground (check for possible charges). You can help this process by arranging litter bins or recycling bins around the site, and a crew to clear up throughout the event.

Hiring or Borrowing Equipment
Your local authorities, or local event organisers may be able to help you with contacts for supplies such as marquees, portable toilets, barriers and bunting, or may in some cases have these for you to hire and borrow. You may also need to consider generators, a public address system, and emergency flood lighting. If you need to arrange insurance for your hired equipment, Unity Insurance Services can arrange this for you too.

All Ability Access
Access for people with a disability is very important. Many local authorities run community transport schemes. Talk to them about arranging transport.

Food and Drink
Basic food hygiene guidelines should be followed at all times if you are providing food and drink. Caterers must have food hygiene certificates. Advice on this subject can be obtained from your local council environmental officer.

- Philip Greenbank, President, Australasian Guide of Town Criers & – Town Crier (Hepburn Shire, Victoria, Australia)
- Mike Willett – Town Crier (Victor Harbour, Australia)

Stephen Clarke, Town Crier of NSW Central Coast, Australia, plays a fanfare on a Bugle before undertaking a Proclamation. This is most significant because at the top of the Gosford Coat of Arms there is a Cockeral standing on the bugle. Gosford is the capital of the NSW Central Coast and Stephen has been the official Town Crier there since 1990.
Town Criers - Roll of Honour
