LOCUM AND INTERIM SERVICES

Does your council need a temporary clerk or additional staff resource, perhaps due to illness, maternity or paternity cover, holidays, vacancies, increased workloads or one-off projects? Whatever the reason, LCC can help your council by providing experienced, qualified locums for short or long-term placements.

LCC ensures the process is as easy and cost effective as possible by:

- Establishing your needs and sourcing an appropriate locum for you
- Taking care of all holiday pay, pension contributions and Employers National Insurance contributions for the locum
- Not asking for an initial deposit at the commencement of the Locum placement – you only pay for the actual hours of support provided to you each month
- Not applying an agency fee if a locum is appointed to the permanent position (dependent on being in placement for minimum of 12 weeks)

Additionally, all our locums have access to the SLCC Advice Line ensuring expert advice is available to your council. If you need help, we can help.

Don't just take our word for it!

"I'd like to say thank you to both the LCC and Jane who helped us out of a tricky time when we found ourselves without a clerk over the election period. Despite the locum service being fairly new we received a very professional service from start to finish."

Emma Harris, Flitwick Town Council RFO and HR Officer

"When we urgently needed a locum clerk to steady the ship, LCC stepped in and sorted everything out extremely quickly and efficiently. The locum was fantastic and supported us as we went through the process of hiring a new clerk and on to a new era for our Parish Council! Thanks so much!"

Cllr Alex Ross-Shaw, Wrose Parish Council
