"I cannot speak highly enough of ILCA. I started it as Deputy Town Clerk and then my boss the Town Clerk resigned suddenly and I was thrown in at the deep end. Clerking can be a lonely job and it is really so good to be part of a wider network. Studying ILCA has given me the confidence to manage the work of the council - and I have just been promoted to Town Clerk!" Claire Benbow, Clerk to Grange-over-Sands Town Council

"I am really enjoying the course and have learnt so much. I have an interview next week for a clerk role and the learning has given me real confidence boost. I feel that I will be able to talk about the role with a level of understanding and an eagerness to build on what I have learnt and, hopefully, one day progress to CiLCA." Julie Brennan

GENERAL POWER OF COMPETENCE (IN ISOLATION)

WHAT IS THE GENERAL POWER OF COMPETENCE?

In England the General Power of Competence (GPC) was introduced by the Localism Act 2011 and took effect in February 2012. In simple terms, it gives councils the power to do anything an individual can do provided it is not prohibited by other legislation.

For Wales the General Power of Competence (GPoC) was introduced in the Local Government and Elections (Wales) Act 2021 (the Act 2021): Part 2 and took effect in May 2022. It allows eligible town and community councils (local councils) in Wales to resolve eligibility and then to adopt the General Power of competence.

BENEFITS OF GPC

- Boost confidence - gives local councils confidence in their legal capacity to act for their communities.
- Responsibility for services - provides the basis for taking on responsibility for services previously provided by one of the principal authorities.
- Provide cost-effective services - encourages councils to use this power to work with others in providing cost-effective services and facilities in innovative ways to meet the needs of local people.
- Use anywhere - the council can undertake activities using GPC anywhere - not just in the parish (as long as they don't break other laws)

CRITERIA FOR ELIGIBILITY

England

The freedom of GPC is available to local councils that meet two criteria for eligibility (LA 2011 s8) set out in a statutory instrument known as the parish councils (General Power of Competence) (Prescribed Conditions) Order 2012

- Elected Councillors
- A Qualified Clerk

Wales

The freedom of GPoC is available to local councils that meet three criteria for eligibility set out in The Act 2021:Part 2:s30 that came into force in May 2022.

- Elected Councillors
- A Qualified Clerk
- Unqualified Accounts

WHO CAN TAKE SECTION 7 (IN ISOLATION?)

Section 7 or Learning Outcome 7 (LO7) only applies to those who passed CiLCA in England prior to 2012, and in Wales prior to May 2022.

CiLCA includes and references the General Power of Competence and forms part of the criteria for the council to exercise General Power of Competence.

For those students who are eligible to take section LO7 in isolation it is recommended that you attend training (at a separate cost) on section 7 to assist you in completing the in isolation module.

HOW WILL I LEARN?

You submit an online evidence-based submission through the EMMA system.

HOW LONG WILL IT TAKE?

You have a full 12 months to complete your online submission.

The EMMA system is accessed through your SLCC account, once payment has been received and processed.

HOW MUCH IS SECTION 7?

The Section 7, General Power of Competence (in isolation) fee is £30 (non-vatable).

Charges for training will depend on your training provider and are in addition to the qualification fee listed.

"I started Level 4 with trepidation in 2021 when unfortunately COVID-19 put an end to the face-to-face study days which reverted, like everything else, to on-line sessions. Despite this, the tutors were great, and help was only an email or phone call away. Year 2 soon came around and we were able to meet in person helping friendships develop and making learning easier (for me at least). My confidence has increased and I have developed as a clerk during the last two years. Level 5 was never originally in my plan, but I find myself a Year 1 student, embarking on the next phase!" Emma James
PSLCC, Clerk & RFO to Okehampton Town Council

"If you think Level 4 will be too academic and not for you, think again. Everything this level covers relates to actual issues you will encounter in your job even if your council is not very large. At times the learning did feel a little daunting but the assignments were carefully structured and you are supported throughout by a personal tutor, so it never felt overwhelming. There were opportunities for in-depth study of practical topics such as laws & procedures, the planning system, finance and audit, which helped me develop fresh approaches to my day-to-day work. Larger themes were woven across the whole course which allowed time to develop a deeper and broader understanding of topics ranging from community engagement to governance. My learning journey and the friendships I made with fellow students were so worthwhile and I'm still learning at Level 6. I have loved the experience which has opened my eyes to new ideas and made me a more thoughtful, reflective and hopefully effective officer." Alongside our problem solving and innovation challenged to develop those completely transferable skills to the real life setting of our communities, equipped to get the best out of ourselves, our teams and our communities. "The support I received from an early stage from CDALC and the CiLCA tutor was absolutely amazing, and I would highly recommend the mentoring service to anyone thinking of starting CiLCA. Whether it takes you one month or a year, it's a great feeling when you pass the CiLCA course!"

Adam Shanley, Clerk to City of Durham Parish Council

WG's **Wales Training Bursary Scheme** is available to clerks to cover 50% of the cost of Introduction to Local Council Administration (ILCA), Financial Introduction to Local Council Administration (FiLCA), SLCC webinars, SLCC training courses, SLCC conferences or SLCC Continuous Professional Development (CPD) event up to a maximum bursary payment of £100.
